Additional Information:

8:40 am gets to Ciudad Quesada terminal around 12pm. Stop at bus station varies from 5 to 20 min. Arrives in La Fortuna around 1 pm.

It's also possible to take another bus from this terminal to Ciudad Quesada, then another to La Fortuna. No later than 2 pm, because you won't make it to La Fortuna the same day. These buses will take longer, because they are collecting more people along the way, and with wait time for next bus to La Fortuna.
